* Membership of cross-border structures: if the members of a cross-border structure on each side of the border (so at minimum 2 or 3) are already members of MOT (excluding the French State), the cross-border structure may become, on demand, for free a member of MOT. If not, the structure subscribes at the rate of a cross-border structure.

** Local authorities neighbouring France at maritime borders: 3300€.

*** Land or maritime.
