und Forschung

Germany's border regions in comparison: What are important trends? What opportunities and options arise? What does 'European Cohesion' mean for border regions?

Arguments from scientific, practical and political perspectives - based on the BMBF project CoBo.

Thursday, 20.04.23 (from 12:30 pm)

### Part I: Current trends and opportunities in Germany's border regions

Answers from the CoBo project

### Part II: 'Good Practice' of thematic cross-border cooperation

Workshops with border region representatives

### Dinner

Friday, 21.04.23 (08:30 am till 15:30 pm)

### Part III: Current key topics in border regions

Sessions, e.g. in cooperation with the IMeG initiative (Metropolitan Border Regions)

### Part IV: Border regions on the political agenda

Plenary discussion with political representatives on 'Cohesion in German border regions'
