The 14th International Scientific Conference on Border Regions In Transition

The Border : a source of innovation ?

November, Tuesday 4 to Friday 7, 2014 - ARRAS - LILLE - MONS

**From the 1914-1918 War Centenary to the Eurometropole Lille-Kortrijk-Tournai or the Eurotunnel,
the Franco-Belgian region has always been deeply marked by the border.**

Organized by the IFD (Institut des Frontières et Discontinuités / Institute of Borders and Discontinuities)
Hosted by the University of Artois, the University of Lille 1 Sciences and Technologies,
the University of Littoral Côte d'Opale and the Catholic University of Louvain

The current organizing committee :

Emmanuel Brunet-Jailly, PhD, University of Victoria, Canada
Nathalie Cabiran, University of Artois, France
Sylvie Considère, PhD, University of Artois, France
Sabine Duhamel, PhD, University of Littoral Côte d'Opale, France
Florine Meunier, Catholic University of Louvain - Mons, Belgium
Jérôme Lageiste, PhD, University of Artois, France
Nicolas Lebrun, PhD, University of Artois, France
Pr. Fabienne Leloup, PhD, Catholic University of Louvain - Mons, Belgium
Corinne Luxembourg, PhD, University of Artois, France
François Moullé, PhD, University of Artois, France
Pr. Patrick Picouet, PhD, University of Lille 1 Sciences and Technologies, France
Pr. Bernard Reitel, PhD, University of Artois, France
Olivier Rota, PhD, University of Artois, France
Pierre Tilly, PhD, Catholic University of Louvain, Belgium
Maud Verherve, University of Lille 1 Sciences and Technologies, France
